

99th B.I.A.

Les Chapieux 7 August 1947

Lieutenant Mollard Noel commanding the S.E.S. of the
99th B.I.A. - Les Chapieux

RESTRICTED

The Battalion Chief commanding the 99th B.I.A.

SUBJECT: Location of plane

Submitted herewith is a report of further searches made at the
Aiguille des Glaciers on 7 August 1947.

Departure: 0400 hours. Return 1800 hours.

1. Planes of searches: The upper rim of the glacier of Glaciers
(North side).

The three couloirs going up to 3,730, place where the plane
wrecked.

2. Crew making the search: Lt. MOLLARD - Sgt BECK - 10 guides

3. No remains (bodies) were found.

The searches will be carried on, on the 8 August 1947. Four
crews will participate in the searches under the supervision of Sgt
BOIS. They will search again the glacier de l'Estellette and the
glacier of LEX BLANCHE which is at the same altitude as the wreckage
place.

4. Things found: will be given to the US mission.
